Terviseamet selgitab, et Vabariigi Valitsuse 23.08.2021 korraldusega nr 305 kehtestatud liikumispiirangute rikkumisel on Terviseametil õigus kohaldada sunniraha kuni 9600 eurot. Karantiini tingimuste rikkumine on karistatav nakkushaiguste ennetamise ja tõrje seaduse § 461 alusel väärteona ning rikkumise korral võib Terviseamet määrata

rahatrahvi kuni 200 trahviühikut. Terviseamet võib järelevalvesse kaasata Politsei- ja Piirivalveametit halduskoostöö seaduses sätestatud ametiabi nõudeid ja korda järgides. Täiendav info on kättesaadav <https://vm.ee/et/teave-riikide-ja-liikumispiirangute-kohta-eestisse-saabujatele>.

Olen teadlik, et puudulike või valeandmete esitamine on Nakkushaiguste ennetamise ja tõrje seaduse § 46² alusel karistatav rahatrahviga kuni 400,00 EUR.

Terviseamet teavitab, et isikuandmete töötlemine toimub korrakaitseseaduse § 30 alusel tervishoiualase hädaolukorra meetmete rakendamiseks, Vabariigi Valitsuse kehtestatud liikumispiirangute järelevalveks ning nakkushaigusest COVID-19 tingitud ohu inimese elule ja tervisele ennetamiseks ja tõrjumiseks. Isikuandmeid töödeldakse nakkushaiguse COVID-19 epideemilise leviku ohu möödumiseni ning nakkushaiguse ennetamiseks vajalike epidemioloogiliste uuringute lõppemiseni. Liikumispiirangute järgimist kontrollib Terviseamet. Käesolevaga kinnitan, et minu esitatud andmed on õiged.

The Health Board would like to make it clear that, in the event of a violation of any restrictions on freedom of movement as has been laid down by order No 305 by the

government of the republic of Estonia which was issued on 23 August 2021, the Health Board may apply a penalty payment of up to 9,600 euros to the individual responsible for such a violation. Pursuant to § 461 of the Communicable Diseases Prevention and Control Act, any violation of quarantine requirements is punishable as a minor offence, for which the Health Board may apply a fine of up to 200 fine units. The Health Board may involve the Police and Border Guard Board in the supervision of any action which may occur as a result of a violation, based on the requirements contained within, and the procedure established by, the Administrative Co-operation Act. Further information is available at: <https://vm.ee/en/information-countries-and-self-isolation-requirements-passengers>.

I am aware that submission of incomplete or false information is punishable by a fine of up to EUR 400.00 based on § 46² of the Communicable Diseases Prevention and Control Act.

The Health Board would hereby like to point out that personal details are being processed on the basis of § 30 of the Law Enforcement Act in terms of implementing measures which are required due to a healthcare emergency, for the monitoring of the process of observing restrictions on freedom of movement which have been established by the government of the republic of Estonia, and in the prevention and management of the risk to human life and health which arises from COVID-19. Any personal information will be processed until the threat of the epidemic spread of COVID-19 has passed, and until any epidemiological studies which are required for the prevention of this communicable disease have been completed. Observation of all restrictions on freedom of movement is monitored by the Health Board. I hereby confirm that the information I have submitted is correct.

You are included in one of the groups listed below which are not subject to the requirement to self-isolate

Within the last 6 months, I have had the COVID-19 disease and have recovered and/or I have been fully vaccinated against COVID-19 within the last year.

Take care of yourself and your loved ones and download the Estonian close contact identification app HOIA. The HOIA smartphone app will notify you quickly of any close contact you may have had with potential COVID-19 cases.
